

# OPEN HOUSE SURVEY

## OVERVIEW:

*You'll want to follow-up with prospects as soon as your open house is finished. However, keeping track of prospects information can be challenging..*

***Print out this open house survey to use at your next event!***

## WHAT'S INCLUDED:

- **Open House Survey**  
*Gather specific information on each prospect while they attend your open house.*

*Thank you!*

# OPEN HOUSE SURVEY

**YOUR INFO:**

Name:  Phone:

E-mail:

Address:

What neighborhood would you like to live in?

How many bedrooms are you looking for?

How many people are currently or soon to be in your family?

How large do you want your lot to be?

How many bathrooms?

Do you have an idea of what square footage you're looking for?

Are you interested in an open floor plan?

Are you interested in a finished basement?

Do you want a formal living room/dining room?

What is your price range?

Have you been preapproved?

Would you like me to refer you to a mortgage broker?

Any other miscellaneous things I can help you with?
