

GET EXTRA REFERRALS!

OVERVIEW:

Staying top of mind with your clients is key when you are in a referral-based business. One great way to do that is to give your clients small gifts like this one that asks for referrals!

DIRECTIONS:

1. Simply print these cards out in your office, home, or at a local copy center on thick card stock paper. *Tip: make sure to print at 100% so everything fits well on the printable.*
2. Cut each tag out. If you sent these to a copy center, ask them to cut them out for you!
3. Attach a pack of gum with tape to the empty space.
4. If you use page 1 or page 2, make sure to attach your business card so everyone knows who to contact when they have referrals to send to you.
5. Give these to clients on pop-bys, in the mail, or as you see them in person.
