

COLD & FLU SEASON SANITIZER POP-BY TAGS

When your clients know you care about their well-being, they're much more likely to remember you—and to reward you with valuable referrals!

WHAT'S INCLUDED:

Page 5: Team version for vertical business card

DIRECTIONS:

1. Simply print these cards out in your office, home, or at a local copy center on thick card stock paper. *Tip: make sure to print at 100% so everything fits well on the printable.*
2. Cut each tag out. *Tip: if you sent these to a copy center, ask them to cut them out for you!*
3. Tape or glue your business card onto the front of the tag so everyone knows who to contact when they have referrals to send you!
4. Tape a small bottle of hand sanitizer to the front.
5. Give these to clients on pop-bys, in the mail, or as you see them in person.
