

St. Patrick's Day Cards

OVERVIEW:

When it comes to your business, your clients mean the world to you. Whether you're Irish or not, Saint Patrick's Day is the perfect excuse to reach out to your sphere and tell them just how much you appreciate their business.

DIRECTIONS:

1. Simply print these cards out in your office or at a local copy center on thick card stock paper.
2. Cut each tag out and fold down the center on the fold line.
3. Put gold candies in a plastic bag and close the bag. These printables are 6.5" wide and were meant to fit on a standard sandwich bag.
4. Staple the label over the top of the closed bag on both sides to secure.
5. If desired, attach your business card to the back (see pages 2 and 3) so everyone has your contact info handy.
6. Hand out to clients when you see them or when you are doing pop-bys. These printables work great for prospects as well!
